Press release: AMBROZIJN NEW CD 'KRAKALIN'

homerecords.be 4446013, AMG March 2006

Krakalin, the new record of Ambroziijn, has arrived. With a helping hand from alchemist Gabriel Yacoub (malicorne) and a haunting vocal support by Vera Coomans, they will let you taste their sixth brew, showing every possible corner of their imaginary folk universe.

Singing songs in three languages, Tom Theuns, singer / composer/guitar player, comments: "Somewhere by the side of a river. Krakalin, the city you've always dreamed of... where romances, nightmares, visionary illusions, runaway grooms, strange sects, broken hearts, boxes of fireworks and stories of brave sailors are washed upon its shore."

In the next coming months, Krakalin will be presented live with Vera Coomans included in the line-up. They're kicking off on the 7th of February in Ghent's castle, the Gravensteen with Gabriel Yacoub as support act!

'Krakalin' will be presented live to the public in the coming months. Vera Coomans will join Ambroziijn on their tour. Kick off at Gravensteen in Gent on 7 February 2006 with Gabriel Yacoub as support act!
